Read the first two paragraphs (72-73) and list five details about the impact of the War/Peace Conference.

President Wilson believed that the war was traceable to three primary causes: 1. Secret diplomacy; 2. The tendency of politically dominant ethnic groups to oppress ethnic minorities under their control; and 3. The political system of autocracy. In your view, which of these causes was the most important to fix? Why? What was proposed?

Assess the contrast between Wilsonian theory and practice (p.74)
List and analyze the two essential goals of the French Delegation at the Paris Peace Conference (p.76).

Create an illustration/political cartoon/poem that reflects elements of the Paris Peace Conference.
